

## Team Update L & S E Championship North Downs Riding Club

**16<sup>th</sup> October 2010**

Liz Gill and Andrew Hagon had their work cut out for them with organising teams of four across all three disciplines with last minute swaps, plus all the helpers.

They did us proud by getting everyone where they needed to be, also a very big thank you to Area 10 for hosting a fabulous day which was extremely well organised.

### Practice for the big day

The week before Andrew organised some show jumping practice with the help from Louise (Lily's mum) Ernest Dillon gave a group lesson at Littleton Manor Equestrian Centre

### Riding Test

Team members; Sally Bluck, Janet Stanley, Margaret Able and Tuppence Silverio made up the team to ride Riding Test 12, it was a beautiful day up until Margaret and Tuppence went to warm up and the heavens opened!! Although the tap stopped to let them do their tests thankfully.

Margaret came home with an individual 4<sup>th</sup> place with a very respectable 70%

Thank you to Nick Green, a new club member and also joined the committee, came to join us and took all these lovely photos, which was quite tricky trying to be in four places all at the same time.
